Floor Plan

Total area: approx. 77.8 sq. metres (837.9 sq. feet)

This floorplan has been created for guidance purposes only.
Plan produced using PlanUp.

21 Moat Avenue, Knightswood

Situated in a popular Knightswood location close to all amenities, this spacious 2 bedroom upper cottage flat provides attractively priced accommodation in a sought after location.

The property requires a degree of modernisation throughout, which has been reflected in the valuation figure.

Accommodation

A side entrance door accesses the property and carpeted stairway to lead to the upper hall. There is a generously proportioned lounge to the front of the property which has space for a range of furniture and outlooks over the avenue. Off the lounge, the well proportioned, refitted kitchen has a variety of base and wall units and offers elevated outlooks over the rear gardens. There are two naturally bright and generous double bedrooms (bedroom 1 has an inbuilt cupboard). The shower room has been configured to accommodate a low-rise easily accessible shower enclosure, but could be changed back to a bathroom as part of the modernisation programme. The hall has two generous cupboards and a ceiling hatch to the loft storage space.

Heating and Windows

The property benefits from upvc double glazing and a gas fired central heating system (combi boiler).

Location

Moat Avenue is conveniently positioned within walking distance of regular bus services, Anniesland and Scotstounhill train stations (approx 15 min walk), local shops, primary & secondary schooling. Neighbouring Great Western Road provides easy access to Glasgow, Loch Lomond, the Erskine Bridge and the M8 Motorway.
